

# Calling all solutionists!

## SIDE-EVENT:

The power of gastronomy to democratize  
healthy food within planetary boundaries

---

When?

12 June 2019 @ 7:00 – 8:30 am

What?

**EAT Stockholm Food Forum**

RSVP here to secure a spot: [norden.org/en/Solutionists](http://norden.org/en/Solutionists)

Where?

**Lilla Stjärnrummet, 11th floor,  
Quality Hotel Globe**

What do the Costa Rican National Plan for Healthy and Sustainable Gastronomy, the New Nordic Kitchen Manifesto and ground-breaking initiatives in Bolivia, South Africa and Indonesia have in common? Each are them are using the transformative power of gastronomy to make healthy and sustainable food the desirable, affordable, and easy choice.

Join us to meet pioneers and frontrunners from four continents sharing behind-the-scenes insights and strategies! After hearing these inspirational stories of sustainable gastronomy in action, we'll co-create the next generation of food solutions together.
